## RUGGED RIDGE® SPARE TIRE DELETE KIT

The Rugged Ridge® Spare Tire Delete Plate eliminates the factory spare tire carrier on 2007-2018 Wrangler JK models for reduced weight, greater rear visibility and improved departure angles when off-road driving. Stamped from brawny steel plate, precisely drilled to match the JK tailgate and given a black textured powder coat, each Spare Tire Delete Plate is engineered to look like a factory-quality part in both fit and finish. With seven pressed vent louvers and an eye-catching cutout logo, the Rugged Ridge Spare Tire Delete Plate is a serious styling upgrade for anyone who prefers the hardcore off-road image or simply runs a tire too large for conventional carry. The Spare Tire Delete Plate Kit includes a license plate and third brake light relocation bracket to complete the package.

Description	Omix #	Jobber	LRAP	MSRP
Spare Tire Delete Plate, 07-18 Jeep Wrangler JK	11586.10	\$55.52	\$49.99	\$66.99

## RUGGED RIDGE® WALL MOUNT FREEDOM PANEL HOLDER

Leaving your Wrangler JK hardtop Freedom Panels behind takes your Jeep adventure to a whole new level. Rugged Ridge's Wall Mount Freedom Panel Holder stores your top panels in a safe and secure place, giving you that unmistakable open-air driving experience while freeing up valuable cargo space. High-strength steel brackets are designed specifically to support the size and weight of JK Freedom Panels and are lined with a dense foam backing to protect from scratches. Set includes two pairs of brackets (enough for one vehicle) and installation instructions.

## RUGGED RIDGE® C4™ CANINE CUBE

Bring your canine companion along for a Jeep® ride with the Rugged Ridge® C4™ Canine Cube. Its unique soft-side design suspends from the sport bar and anchors itself to the factory floor hooks- a design so innovative that the canine carrier folds flat to the floor when not in use and can be reconfigured in moments. Constructed from heavy-duty ballistic weave fabric with mesh-screened walls, the C4™ Canine Cube keeps your pet safely contained inside while permitting good visibility and air flow to your prized passenger. Plastic-reinforced floor panels provide an added layer of protection to your interior carpet and trim while UV-resistant materials resist fading.

## RUGGED RIDGE® MONTANA TOP™, BLACK DIAMOND

The Montana Soft Top is designed as a high-quality direct replacement for your Wrangler's factory top. Simply remove the old top and slip on the new Montana Top™. The Montana Soft Top features sturdy reinforced stitching on the heavy pull areas and heavy-duty 30 mil thick rolled glass windows with a 31% tint to help keep out the direct sunlight. All Montana Soft Tops are built from 20 oz. durable vinyl coated Black Diamond polyester and cotton fabric that defies the elements. All sewn seams are double-stitched using marine grade thread for superior sun and moisture resistance. Each stitched seam is literally welded shut with a durable heat seal to repel moisture while maintaining the look of the original top. Installing the Rugged Ridge® Montana Top is easy with the factory original belt rail attachment method; simply tuck the skirt under the rail and go! Each Rugged Ridge® Montana Soft Top is backed by an industry leading 5-year limited warranty against manufacturer defects.
